

DELHI PUBLIC SCHOOL – GANDHIDHAM
NEW AGE TECHNOLOGY TIE-UP WITH
EDUCOMP SMARTCLASS EDUCATION

Dear Parent,

DPS-Gandhidham is taking a pioneering step towards empowering students and teachers with a new age technology tie-up with Educomp Smartclass Education. All the classes will be connected with Smart Board, which will make the understanding of abstract or difficult topics much simpler through animation, graphics, audio-video and 3D images.

We wish you a very happy and fruitful Summer Vacation.

Thank you

Subodh Thapliyal
Principal
